**Note:**

1. Initially the Company had applied with BSE for approval of 1,53,60,000 warrants at the issue price of Rs. 33/- and therefore the Original funds Allocation was for Rs. 5068.80 Lakh. But later while the issue was actually opened, some of the prospective investors didn't apply for issue of warrants and therefore the Company received the applications for 1,20,55,000 warrants only and therefore the raised a fund of Rs. 3978.15 from the allottees of 1,20,55,000 convertible warrants. Then the Board of Directors has proportionately reduced the allocation of fund accordingly. Since there was no change in objects or purpose, so there was no requirement of shareholders' approval in this matter.
2. The Company had allotted the 1,20,55,000 convertible warrants in the Board Meeting held on 09th October 2025 from whom the total funds raised was Rs. 3978.15 Lakh. The Company had received the 25% money i.e.. Rs. 9,94,53,750/- along with the applications and balance 75% funds to be received within 18 months as SEBI ICDR Regulations.

Later the Company had received the balance funds from two shareholders with a request to convert their 22,00,000 convertible warrants into equity shares. Then the Board of Directors in their Board Meeting held on 30<sup>th</sup> March 2026 had allotted 22,00,000 equity share to them by conversion of warrants so requested and in return the company had received Rs. 5,44,50,000/-from them.

3. The 'Funds Utilized' represents the cumulative utilization of funds for period 31st March 2026.

**Deviation or variation could mean:**

- (a) Deviation in the objects or purposes for which the funds have been raised or
- (b) Deviation in the amount of funds actually utilized as against what was originally disclosed or

# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This Management Discussion and Analysis Report for the financial year ended 31<sup>st</sup> March 2026.

## **1. INDUSTRY STRUCTURE AND DEVELOPMENTS**

Bonlon Industries Limited operates across metal trading and manufacturing, dealing in ferrous and non-ferrous metals – copper, aluminium, zinc, lead and nickel – and manufacturing Plastic Insulated Power Cables. The Company's shares were initially listed on BSE Limited and further listed on the National Stock Exchange of India Limited with effect from 20th February, 2026 with a view to broadening the Company's investor base and market visibility.

The Indian wires and cables industry continued its growth trajectory during F.Y. 2025-26, supported by sustained investment in power transmission and distribution infrastructure, rural electrification programmes, expanding renewable energy capacity, and the ongoing build-out of telecom and data-centre infrastructure. Industry estimates place the Indian wires and cables market in the range of ₹1.8-1.9 lakh crores for the year, with mid-to-high single digit compound annual growth expected over the medium term, aided by government infrastructure spending and increasing demand for BIS-certified, quality-assured cable products. The non-ferrous metals segment – copper, aluminium and other base metals traded by the Company – saw a period of strong price momentum through calendar year 2025 into early 2026, with global copper and aluminium prices rising sharply on the back of tightening supply, robust industrial demand and the continuing global energy-transition-driven demand for these metals in power, EV and renewable energy applications. This price environment presented both opportunities (higher trading margins on inventory appreciation) and risks (working capital intensity, margin volatility) for metal trading businesses such as the Company's.

## **2. OPPORTUNITIES AND THREATS**

### **Opportunities**

- Increasing demand for power cables driven by infrastructure and electrification projects in India.
- Access to a wider investor and capital base following the Company's dual listing on BSE and NSE.
- Growth in metal trading volumes, supported by the Company's established relationships in domestic and export markets (notably UAE and Nigeria).

- Additional growth capital raised through the preferential warrant issue during the year, strengthening the Company's balance sheet for expansion.

**Threats**

- Volatility in prices of key raw materials – copper, aluminium and other non-ferrous metals – which are linked to global commodity cycles.
- Foreign exchange fluctuations affecting the Company's import and export transactions.
- Competitive intensity in both the metal trading and cable manufacturing segments.
- Regulatory and compliance costs associated with the Company's transition to mainboard/dual-exchange listed status.

**3. SEGMENT-WISE / PRODUCT-WISE PERFORMANCE**

The Company's operations are organised into the following segments:

**Metal Trading:**

The Company trades in copper, aluminium, zinc, lead and nickel, both domestically and through imports/exports, and also trades on the MCX platform.

**Manufacturing:**

The Company manufactures Plastic Insulated Power Cables at its two units in Bhiwadi, Rajasthan, supplying customers in India and exporting to markets including the United Arab Emirates and Nigeria.

**4. OUTLOOK**

The Board believes the Company is well-positioned for continued growth, supported by its dual stock exchange listing, the additional growth capital raised through the preferential warrant issue during the year, and the increase in Authorised Share Capital approved by the Members. Demand from existing and new customers for the Company's cable products, together with its established metal trading relationships, is expected to support the Company's business momentum in the coming year.

**5. RISKS AND CONCERNS**

- Commodity price risk – fluctuations in the prices of copper, aluminium and other non-ferrous metals.
- Foreign exchange risk on import and export transactions.
- Credit risk on trade receivables.
- Interest rate risk on borrowings, particularly given the increase in borrowings during the year.

- Regulatory and compliance risk associated with the Company's SEBI-regulated listed status on two exchanges.

The Company's Risk Management Policy, referred to in the Directors' Report, addresses the identification, assessment and mitigation of these risks.

## **6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has in place adequate internal financial controls commensurate with the size and nature of its business, covering areas such as finance and accounts, taxation, human resources, legal and statutory compliance, store management and fixed assets, as also confirmed by the Internal Auditors, M/s Shyam Goel & Associates, Chartered Accountants, appointed for F.Y. 2025-26. The Audit Committee reviews the internal audit findings and the adequacy of internal financial controls periodically. The Statutory Auditors have not reported any material weakness in the Company's internal financial controls for the year.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance Report, and Shareholder Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management and Those Charged with Governance (TCWG)**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Financial Results, including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- 

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Deferred tax assets and deferred tax liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets. In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Credit risk is the risk of financial loss to the company if a customer or counter party fails to meet its contractual obligations.

Credit risk on cash & cash equivalents is limited as the company deals with high net worth and well reputed banks. Trade receivables are non-interest bearing and are generally 30 to 45 days credit, depending on respective terms and conditions of sale. The management evaluates the outstanding receivables on a periodic basis thereby risk is relatively low.

Loans includes security deposit and other inter corporate deposits recoverable from related parties . The company believes that amount receivable from related parties is collectible in full hence no loss has been recognized.

**(ii) Liquidity risk**

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligation associated with its financial liabilities that are settled by delivering cash or another financial asset. The company approach is to maintain sufficient liquidity to meet its liabilities when they are due without incurring unacceptable losses or risking damage to the company's reputation.

**Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The contractual cash flow amount are gross and undiscounted.

**INDEPENDENT AUDITOR'S REPORT**

**TO,**

**THE MEMBERS OF BONLON INDUSTRIES LIMITED**

**Report on the Audit of Consolidated Financial Statements**

**Opinion**

We have audited the accompanying Consolidated financial statements of **BONLON INDUSTRIES LIMITED** (the "Company"), its subsidiaries and its associates (the Company, its subsidiaries and its associates together referred to as the "Group") which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2026, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management and Those Charged with Governance (TCWG)**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, change in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Consolidated financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material

5

uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Deferred tax assets and deferred tax liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets. In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

**B - Financial risk management**

**(i) Credit risk**

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet.

| Particulars             | As at March 31, 2026 | As at March 31, 2025 |
|-------------------------|----------------------|----------------------|

Credit risk is the risk of financial loss to the company if a customer or counter party fails to meet its contractual obligations.

Credit risk on cash & cash equivalents is limited as the company deals with high net worth and well reputed banks. Trade receivables are non-interest bearing and are generally 30 to 45 days credit, depending on respective terms and conditions of sale. The management evaluates the outstanding receivables on a periodic basis thereby risk is relatively low.

Loans includes security deposit and other inter corporate deposits recoverable from related parties. The company believes that amount receivable from related parties is collectible in full hence no loss has been recognized.

**(ii) Liquidity risk**

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligation associated with its financial liabilities that are settled by delivering cash or another financial asset. The company approach is to maintain sufficient liquidity to meet its liabilities when they are due without incurring unacceptable losses or risking damage to the company's reputation.

**Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The contractual cash flow amount are gross and undiscounted.
