Konstelec Engineers Emerges as Successful L1 Bidder for Projects Worth ₹165.85 Crores Across Defence and Refinery Segments

Mumbai, May 22, 2026: Konstelec Engineers Limited (NSE - SME: KONSTELEC), today announced that it has emerged as the successful **L1 bidder** for three major projects across the **Defence and Refinery sectors**, with a cumulative estimated order value of **₹165.85 Crores**.

These project wins reinforce the company's growing execution capabilities in instrumentation, electrical systems, and industrial EPC services, while strengthening its position in high-value

Below are the Work Order's received by the company in May 2026:

Client	Nature of Project	Order Value
Numaligarh Refinery Limited	Instrumentation Works for EPCM-2 Services for RPTU Unit – Group A	₹59.53 Cr (exclusive of GST)
Numaligarh Refinery Limited	Instrumentation Works for EPCM-2 Services for RPTU Unit – Group B	₹32.01 Cr (exclusive of GST)
Advanced Weapons and Equipment India Limited (Ministry of Defence)	Augmentation of FGK Internal Electrical Power Distribution System on Turn-key Basis	₹74.31 Cr (inclusive of GST)
Total		₹165.85 Cr

The projects awarded by **Numaligarh Refinery Limited** and **Advanced Weapons and Equipment India Limited (Ministry of Defence)** highlight Konstelec's strength in government infrastructure and mission-critical electrical systems. These projects are expected to significantly enhance the company's order book visibility and execution pipeline over the coming quarters.

Commenting on the order completion, Mr. Amish Shah, Managing Director at Konstelec Engineers Limited stated: *"We are pleased to share that Konstelec Engineers Limited has been declared the successful L1 bidder for three projects with a combined order value of approximately ₹165 Crore. These projects include Instrumentation Works for the RPTU Unit at Numaligarh Refinery Limited and the Augmentation of FGK Internal Electrical Power Distribution System project from Advanced Weapons and Equipment India Limited under the Ministry of Defence. This development further strengthens our presence in the refinery segment while also marking our entry into the defence sector, reinforcing our capabilities in executing complex EPC and electrical instrumentation projects. **With this, our total order book stands at over ₹550 Crore, providing strong visibility for FY27 and the years ahead.** Alongside order inflows, our focus remains on improving execution efficiency, expanding into higher-value opportunities, and driving better margins going forward."*

About Konstelec Engineers Limited:

Konstelec Engineers Limited is an integrated EPC company specializing in Electrical, Instrumentation, and Automation systems. The company undertakes turnkey contracts encompassing installation, testing, commissioning, and maintenance of electrical and electromechanical systems across diverse sectors including oil & gas, refineries, petrochemicals, chemicals, cement, textiles, and space. KEPL offers end-to-end capabilities, including detailed engineering, procurement support, and comprehensive project management for complex electrical infrastructure projects.
