3. Rationale and Benefits of the Scheme

The Scheme provides for demerger of the Demerged Undertaking of the Demerged Company into the Resulting Company on a going concern basis. The transfer and vesting by way of demerger would be in the best interests of the Demerged Company, the Resulting Company and their respective shareholders and creditors as the proposed demerger will yield the following advantages:

1. ITSL is involved in Broking and Distribution business (as defined in the scheme). Further, it has

subsidiaries, each of which is engaged in different activities as under:

- (a) Indo Thai Realities Limited: It is a wholly owned subsidiary of ITSL and is engaged in Real Estate Business.
 - (b) Indo Thai Globe Fin (IFSC) Limited: It is a wholly owned subsidiary of ITSL and is registered as IFSC (International Financial Service Centre) Unit in accordance with the Securities Exchange Board of India (IFSC) Guidelines, 2015 to act as intermediary as per such guidelines in IFSC like stock broker.
 - (c) Femto Green Hydrogen Limited: It is a subsidiary of ITSL, through which the company intends to undertake green technology business.
2. Each of these businesses have different capital, operating and regulatory requirements. The nature of risk and rewards is also significantly different. Each of the varied businesses carried out by the Demerged Company have significant potential for growth and profitability and can attract different set of investors, strategic partners, lenders, etc. Considering the different commercial factors surrounding these businesses, it would be strategically apt to segregate them in an appropriate manner. As a first step towards the same, the B&D Undertaking is being segregated from the Remaining Business (as defined in the scheme).
3. This restructuring will help achieve following benefits:
- (a) The segregation shall enable the Resulting Company to focus on the B&D Business, with greater focus and specialization.
 - (b) The Scheme will also enable the Demerged Company to focus and enhance the Remaining Business (as defined in the scheme) by streamlining operations and corporate structure.

3. Comments by the Audit Committee on the Scheme

3.1. Need for the demerger and rationale of the Scheme

The Committee noted the following rationale and benefits of the Scheme

- 3.1.1. ITSL is currently engaged directly and indirectly through subsidiaries in the Broking and Distribution Business, Real Estate Business and Green Technology Business.
- 3.1.2. ITSL is directly involved in Broking and Distribution business (as defined in the scheme). Further, its subsidiaries are engaged in different activities as under:
 - (i) Indo Thai Realities Limited: It is a wholly owned subsidiary of ITSL and is engaged in Real Estate Business.
 - (ii) Indo Thai Globe Fin (IFSC) Limited: It is a wholly owned subsidiary of ITSL and is registered as IFSC (International Financial Service Centre) Unit in accordance with the Securities Exchange Board of India (IFSC) Guidelines, 2015 to act as intermediary as per such guidelines in IFSC.
 - (iii) Femto Green Hydrogen Limited: It is a subsidiary of ITSL, through which the company intends to undertake green technology business.
- 3.1.3. Each of these businesses have different capital, operating and regulatory requirements. The nature of risk and rewards is also significantly different. Each of the varied businesses carried out by the Demerged Company have significant potential for growth and profitability and can attract different sets of investors, strategic partners, lenders, etc. Considering the different commercial factors surrounding these businesses, it would be strategically apt to segregate them in an appropriate manner. As a first step towards the same, the B&D Undertaking is being segregated from the Remaining Business (as defined in the Scheme).
- 3.1.4. With a view to realign its holding and business structure for commercial reasons, the Group proposes restructuring by way of Demerger of Broking and Distribution Undertaking (as defined below) of ITSL into ITFSL.

3.1.5. This restructuring will help achieve following benefits:

3.1.5.1. The segregation shall enable the Resulting Company to focus on B&D Business, with greater focus and specialization.

3.1.5.2. The Scheme will also enable the Demerged Company to focus and enhance the Remaining Business by streamlining operations and corporate structure.

3.1.5.3. Bifurcation of these businesses will enable unlocking value of each vertical thereby paving way for focused growth with a view to create significant stakeholder value.

3.1.5.4. It will also enable independent and distinct capital allocation approach and balance sheet management based on the distinct needs of each business.

The Audit Committee was of the view that the rationale and benefits of the Schemes justifies the proposed demerger.

3.2. Synergies of businesses of the entities involved in the Scheme

The Committee noted that the Scheme does not involve merger of business of the Company but provides for demerger of the Broking and Distribution Business (as defined in the Scheme) of the Company. The said demerger would entail the benefits specified in para 3.1 above.

3.3. Impact of the Scheme on the shareholders

3.3.1. The Audit Committee reviewed and noted the Share Entitlement Ratio recommended in the Share Entitlement Ratio Report and confirmed the following ratio:

"1 (one) fully paid equity share of the face value of INR 1/- each fully paid up of the Resulting Company for every 1 (one) equity share of face value INR 1/- each fully paid up held by equity shareholders of the Demerged Company"

3.3.2. Resulting Company New Equity Share (as defined in the Scheme) shall be listed on BSE Limited and the National Stock Exchange of India Limited.

3.3.3. The beneficial economic interest of the equity shareholders of the Company in the Resulting Company will remain same post implementation of the Scheme as every shareholder of the Company will hold same percentage of equity ownership in the Resulting Company as he / she / it owns in the Company.

3.3.4. The provisions of this Scheme have also been drawn up to comply with the conditions relating to 'Demerger' as defined under section 2(19AA) of the Income Tax Act, 1961 and therefore, it may not have any tax implications.

3.3.5. The Scheme would create sector focused companies, streamline the management structure and unlock value for shareholders. Further, the need for the demerger and rationale of the Scheme is set out in paragraph 3.1 of this report.

Based on the above and after taking into consideration the Share Entitlement Ratio Report and Fairness Opinions, the Committee is of the view that Scheme is in the interest of the shareholders of the Company

3.4. Cost benefit analysis of the Scheme

Although the Scheme would lead to incurring of some costs towards its implementation, however the benefits of the Scheme over a longer period are expected to far outweigh such costs for the stakeholders of the Company.

4. Recommendation of the Audit Committee:

4.1. The Audit Committee after due deliberations and due consideration of all the terms of the draft Scheme, Share Entitlement Ratio Report, Fairness Opinion, rationale of the Scheme, accounting treatment, impact of the Scheme on the shareholders and other stakeholders, cost benefit analysis of the Scheme and the specific matters mentioned above, recommends the draft Scheme for favourable consideration by the Board of the Company, the Stock Exchanges, SEBI and other applicable regulatory authorities.

4.2. This report of the Committee is made in order to comply with the requirements of Paragraph (A)(2)(c) of Part - I of the SEBI Master Circular after considering the necessary documents

- 3.1.1. ITSL is currently engaged directly and indirectly through subsidiaries in the Broking and Distribution Business, Real Estate Business and Green Technology Business.
- 3.1.2. ITSL is directly involved in Broking and Distribution business (as defined in the scheme). Further, its subsidiaries are engaged in different activities as under:
- (i) Indo Thai Realities Limited: It is a wholly owned subsidiary of ITSL and is engaged in Real Estate Business.
 - (ii) Indo Thai Globe Fin (IFSC) Limited: It is a wholly owned subsidiary of ITSL and is registered as IFSC (International Financial Service Centre) Unit in accordance with the Securities Exchange Board of India (IFSC) Guidelines, 2015 to act as intermediary as per such guidelines in IFSC like stock broker.
 - (iii) Femto Green Hydrogen Limited: It is a subsidiary of ITSL, through which the company intends to undertake green technology business.
- 3.1.3. Each of these businesses have different capital, operating and regulatory requirements. The nature of risk and rewards is also significantly different. Each of the varied businesses carried out by the Demerged Company have significant potential for growth and profitability and can attract different sets of investors, strategic partners, lenders, etc. Considering the different commercial factors surrounding these businesses, it would be strategically apt to segregate them in an appropriate manner. As a first step towards the same, the B&D Undertaking is being segregated from the Remaining Business (as defined in the Scheme).
- 3.1.4. This restructuring will help the Group achieve following benefits:
- 3.1.4.1. The segregation shall enable the Resulting Company to focus on B&D Business, with greater focus and specialization.

- 3.1.4.2. The Scheme will also enable the Demerged Company to focus and enhance the Remaining Business by streamlining operations and corporate structure.
- 3.1.4.3. Bifurcation of these businesses will enable unlocking value of each vertical thereby paving way for focused growth with a view to create significant stakeholder value.
- 3.1.4.4. It will also enable independent and distinct capital allocation approach and balance sheet management based on the distinct needs of each business.

The Committee of Independent Directors was of the view that the rationale and benefits of the Schemes justifies the proposed demerger.

3.2. Synergies of businesses of the entities involved in the Scheme

The Committee noted that the Scheme does not involve merger of business of the Company but provides for demerger of the Broking and Distribution Business (as defined in the Scheme) of the Company. The said demerger would entail the benefits specified in para 3.1 above.

3.3. Impact of the Scheme on the shareholders

- 3.3.1. The Committee of Independent Director reviewed and noted the Share Entitlement Ratio recommended in the Share Entitlement Ratio Report and confirmed the following ratio:

"1 (one) fully paid equity share of the face value of INR 1/- each fully paid up of the Resulting Company for every 1 (one) equity share of face value INR 1/- each fully paid up held by equity shareholders of the Demerged Company"

- 3.3.2. Resulting Company's New Equity Share (as defined in the Scheme) shall be listed on BSE Limited and the National Stock Exchange of India Limited.
- 3.3.3. The beneficial economic interest of the equity shareholders of the Company in the Resulting Company will remain same post implementation of the Scheme as every shareholder of the Company will hold same percentage of equity ownership in the Resulting Company as he / she / it owns in the Company.
- 3.3.4. The provisions of this Scheme have also been drawn up to comply with the conditions relating to 'Demerger' as defined under section 2(19AA) of the Income Tax Act, 1961 and therefore, it may not have any tax implications.
- 3.3.5. The Scheme would create sector focused companies, streamline the management structure and unlock value for shareholders. Further, the need for the demerger and rationale of the Scheme is set out in paragraph 3.1 of this report.

Based on the above and after taking into consideration the Share Entitlement Ratio Report and Fairness Opinions, the Committee of the Independent Directors is of the view that Scheme is in the interest of the shareholders of the Company

3.4. Cost benefit analysis of the Scheme

Although the Scheme would lead to incurring of some costs towards its implementation, however the benefits of the Scheme over a longer period are expected to far outweigh such costs for the stakeholders of the Company.

4. Recommendation of the Committee of Independent Directors:

- 4.1. The Committee of Independent Directors after due deliberations and due consideration of all the terms of the draft Scheme, Share Entitlement Ratio Report, Fairness Opinion, rationale of the Scheme, accounting treatment, impact of the Scheme on the shareholders and other stakeholders, cost benefit analysis of the Scheme and the specific matters mentioned above, recommends the draft Scheme for favourable consideration by the Board of the Company, the Stock Exchanges, SEBI and other applicable regulatory authorities.
- 4.2. This report of the Committee is made in order to comply with the requirements of Paragraph (A)(2)(c) of Part - I of the SEBI Master Circular after considering the necessary documents

VALUATION APPROACHES AND METHODOLOGY

Given the nature of this activity, Fair Value has been considered as a Valuation Base. As the Premise of Value, I have considered Going Concern Value and "As is where is" Value to be applicable to the Companies Being Valued.

From discussion with management and to perusal of, Draft Scheme of Arrangement, I understand that:

- The Management of the listed Demerged Company is contemplating to demerge the Broking and Distribution Business.
- For the purposes of demerger, the Resulting Company has been newly incorporated as a Wholly – Owned Subsidiary of the Demerged Company.
- However, post the scheme is effective, the existing paid up equity share capital ("Pre- Demerger Equity Share Capital") of the Resulting Company shall stand reduced and cancelled pursuant to Section 66 and other applicable provisions of the Companies Act, 2013 and the Resulting Company will issue fresh equity shares to the shareholders of the Demerged Company.
- Accordingly, the shareholders of the Demerged Company as on the Record date, are and will upon demerger, be ultimate economic beneficial owners of the Resulting Company in the same proportion as they hold in the Demerged Company. The Resulting Company will reflect a mirror shareholding as that of the Demerged Company and therefore it will function as an independent listed Company.
- As per paragraph (A)(4)(b) of part I of SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023("SEBI MASTER CIRCULAR"), a valuation Report is not required in cases where there is no change in the shareholding pattern of the listed Company/resultant Company.
- The proposed demerger does not require a valuation report since there is no change in the shareholding pattern of the Demerged Company and the Resulting Company. Hence, I have not carried out the valuation of these entities under generally accepted valuation approaches.
- Accordingly, considering the approach and the rationale for the fair equity share entitlement ratio discussed above, the valuation approaches as indicated in the format (as shown below) as prescribed by circular issued by NSE and BSE have not been undertaken as they are not applicable in the instant case.

RECOMMENDATION OF FAIR EQUITY SHARE ENTITLEMENT RATIO FOR THE PROPOSED DEMERGER

Valuation approaches	Indo Thai Securities Limited for broking and distribution business		Indo Thai Financial Securities Limited	
	Value per share	Weight	Value per share	Weight
Asset Approach	NA	0%	NA	0%
Income Approach	NA	0%	NA	0%
Market Approach	NA	0%	NA	0%
Relative Value per Share	NA	0%	NA	0%
Exchange Ratio	NA			

*NA herein means Not Applicable

Recommendation

Based on the foregoing, any share entitlement ratio can be considered for the aforesaid demerger because no shareholder's proportionate shareholding would change.

In light of the Resulting Company's desired Capital Structure, the management of the Demerged Company and the Resulting Company has suggested a share entitlement ratio of

"1 equity share of face Value of Re.1 each fully paid up of the Resulting Company for every 1 Equity Share of Face Value of Re. 1 each fully paid up held by equity shareholders of Demerged Company"

Based on the foregoing and on consideration of all relevant factors and circumstances as discussed and outlined herein above, pursuant to the scheme. The recommended Fair Share entitlement Ratio is:

"1 equity share of face Value of Re.1 each fully paid up of the Resulting Company for every 1 Equity Share of Face Value of Re. 1 each fully paid up held by equity shareholders of Demerged Company".

I believe that the above share entitlement ratio is fair and reasonable, given that all Demerged Company's shareholders will be the ultimate beneficial owners of the Resulting Company in the same ratio as they hold shares in the Demerged Company on the record date.

 Scheme, Share Entitlement Ratio is as follows:
 "1 equity share of the face value of INR 1 each fully paid-up of the Resulting Company shall be issued and allotted for every 1 equity share of face value INR 1 each fully paid up held by equity shareholders of the Demerged Company."Therefore, Post Scheme Shareholding pattern of ITFSL will be same as that of ITSL.
 2.The Post Scheme Shareholding Pattern has been considered on the assumption that the Outstanding Warrants of ITSL will be converted into Equity Shares before the Effective Date. Therefore, there will be no outstanding warrants in Post Scheme Shareholding pattern.
 3. The lock-in of securities has been calculated based on the position as of September 30, 2025. Equity shares to be issued pursuant to conversion of warrants post 30 September 2025, has also been considered for calculating lock in securities. However, the actual lock-in of securities will need to be recomputed based on future date post effectiveness of Scheme.

* If the Listed Entity selects the option 'No' for the questions above, the columns for the partly paid up shares, Outstanding Convertible Securities/Warrants, depository receipts, locked-in shares, No of shares pledged or otherwise encumbered by promoters, as applicable, shall not be displayed at the time of dissemination on the Stock Exchange website. Also wherever there is 'No' declared by Listed Entity in above table the values will be considered as 'Zero' by default on submission of the format of holding of specified securities.

INTERNAL RISK FACTORS

The Company's operations in Broking and Distribution expose it to a variety of risks inherent in the nature of its business undertakings. Prospective investors should carefully consider the following risk factors, which could materially affect the Company's financial position, operational results, and prospects.

1. Regulatory and Compliance Risks

Brokerage firms operate in a heavily regulated environment. Non-compliance with rules set by authorities like SEBI can lead to penalties, suspension, or license cancellation. Risks include failure to meet KYC/AML norms, improper client onboarding, violation of margin requirements,

or misuse of client funds and securities.

2. Market and Price Volatility Risks

Although brokers don't usually take proprietary positions, extreme market volatility can impact business. Sudden price movements may trigger margin calls, client defaults, or reduced trading volumes. Market crashes can also reduce investor participation, directly affecting brokerage revenue.

3. Operational Risks

These arise from internal processes, systems, or human error. Examples include trading platform outages, incorrect trade execution, cyberattacks, data breaches, or back-office reconciliation errors. Poor risk management systems can lead to financial losses and client dissatisfaction.

4. Financial Risks

Brokerages face risks related to client defaults (especially in margin trading), liquidity shortages, and revenue fluctuations. Dependence on trading volumes means income can be unstable. Additionally, improper capital management or high fixed costs can strain financial health.

5. Reputational and Social Risks

Loss of client trust due to service failures, complaints, unethical practices, or regulatory action can damage reputation. Negative publicity spreads quickly, especially via social media, leading to client attrition and difficulty in acquiring new customers.

6. Verification and Certification Risks

Improper client verification (KYC), inaccurate documentation, or failure to authenticate client identities can lead to fraud and regulatory penalties. Brokers must ensure all certifications, licenses, and employee qualifications (e.g., NISM certifications) remain valid and up to date.

7. Legal and Contractual Risks

Disputes with clients over trade execution, unauthorized transactions, or mis-selling of products can result in legal action. Poorly drafted agreements, unclear terms, or non-enforceable contracts increase exposure to litigation and financial liabilities.

8. Cyber/IT Related Risk

In the current environment, cyber/IT/ data security plays a critical role and, it may pose significant risk on our business if any upgraded/strengthened pro-actively.

Investors must recognize that these risks, individually or collectively, could have a significant adverse impact on the Company's business operations, financial condition, cash flows, and growth prospects.

Independent Auditor's Report

To
The Members of Indo Thai Securities Limited
(CIN No. L66120MP1995PLC008959)

Opinion

We have audited the standalone Ind AS financial statements of **Indo Thai Securities Limited** ("the Company"), which comprise the Balance Sheet as at **March 31, 2026**, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, profit, total comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management's Discussion and Analysis and Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure “B” to the Independent Auditor’s Report of even date on the Standalone financial Statements of Indo Thai Securities Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Indo Thai Securities Limited** (“the Company”) as of **March 31, 2026** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing (the “Standards”), issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- v. Revenue from dividend is recognized when the right to receive the dividend is established.

d) Property, Plant and Equipment (PPE)**Measurement at recognition:**

- i. Property plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount.
- ii. All property, plant and equipment are initially recorded at cost. Cost comprises acquisition cost, borrowing cost if capitalization criteria are met, and directly attributable cost of bringing the asset to its working condition for the intended use.
- iii. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefit associated with these will flow with the Company and the cost of the item can be measured reliably.
- iv. Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit and loss.

Depreciation:

- i. Depreciation provided on property, plant and equipment is calculated on a Written-Down-Value (WDV) basis using the rates arrived at based on the useful lives estimated by management.
- ii. Depreciation on assets is provided on a Written Down Method as per the rates prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to fixed assets is provided on a pro-rata basis from the date the asset is available for use. Depreciation on sale / deduction from fixed assets is provided for up to the date of sale / deduction / scrapping, as the case may be.
- iii. The residual values, estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and changes if any, are accounted for on a prospective basis.

Capital Work in Progress:

- i. Cost of the assets not ready for intended use, as on reporting date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each reporting date are shown as other non-financial assets.
- ii. Depreciation is not recorded on capital work- in-progress until construction and installation is completed and assets are ready for its intended use.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of profit and Loss when the item is derecognized.

e) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization.

Amortisation

Amortisation is calculated using the straight– line method to write down the cost of intangible assets to their residual values over their estimated useful lives and is included in the depreciation and amortization in the statement of profit and loss.

Intangible asset	useful life / Amortisation Period
Computer software	3 years

f) Financial instruments

The Company recognizes all the financial assets and liabilities at its fair value on initial recognition; In the case of financial assets not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset are added to the fair value on initial recognition. The financial assets are accounted on a trade date basis.

For subsequent measurement, financial assets are categorised into:

Amortised cost: The Company classifies the financial assets at amortised cost if the contractual cash flows represent solely payments of principal and interest on the principal amount outstanding and the assets are held under a business model to collect contractual cash flows. The gains and losses resulting from fluctuations in fair value are not recognised for financial assets classified in amortised cost measurement category.

Fair value through other comprehensive income (FVOCI): The Company classifies the financial assets as FVOCI if the contractual cash flows represent solely payments of principal and interest on the principal amount outstanding and the Company's business model is achieved by both collecting contractual cash flow and selling financial assets. In case of debt instruments measured at FVOCI, changes in fair value are recognised in other comprehensive income. The impairment gains or losses, foreign exchange gains or losses and interest calculated using the effective interest method are recognised in profit or loss. On de-recognition, the cumulative gain or loss previously recognised in other comprehensive income is re- classified from equity to profit or loss as a reclassification adjustment. In case of equity instruments irrevocably designated at FVOCI, gains / losses including relating to foreign exchange, are recognised through other comprehensive income. Further, cumulative gains or losses previously recognised in other comprehensive income remain permanently in equity and are not subsequently transferred to profit or loss on derecognition.

Fair value through profit or loss (FVTPL): The financial assets are classified as FVTPL if these do not meet the criteria for classifying at amortised cost or FVOCI. Further, in certain cases to eliminate or significantly reduce a measurement or recognition inconsistency (accounting mismatch), the Company irrevocably designates certain financial instruments at FVTPL at initial recognition. In case of financial assets measured at FVTPL, changes in fair value are recognised in profit or loss.

Profit or Loss on sale of investments is determined on the basis of first-in-first-out (FIFO) basis.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:

Level 1 - The fair value hierarchy have been valued using quoted prices for instruments in an active market.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs that are not observable and the unobservable inputs have a significant effect on the instrument's valuation.

Impairment of financial assets: In accordance with Ind AS 109, the Company applies Expected Credit Loss model (ECL) for measurement and recognition of impairment loss. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. At each reporting date, the Company assesses whether the loans have been impaired. The Company is exposed to credit risk when the customer defaults on his contractual obligations. For the computation of ECL, the loan receivables are classified into three stages based on the default and the aging of the outstanding.

If the amount of an impairment loss decreases in a subsequent period, and the decrease can be related objectively to an event occurring after the impairment was recognised, the excess is written back by reducing the loan impairment allowance account accordingly. The write-back is recognised in the statement of profit and loss.

For subsequent measurement, financial liability are categorised into:

All financial liabilities are initially recognised at fair value net of transaction cost that are attributable to the separate liabilities. All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for- trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the Statement of Profit and Loss.

g) Employee Benefits

Gratuity

The Company pays gratuity, a defined benefit plan, to its employees who retire or resign after a minimum period of one years of continuous service. The Company makes contributions to the LIC Employees Gratuity Fund which is managed by Life Insurance Company Limited (LIC) for the settlement of gratuity liability.

A defined benefit plan is a post- employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that employee has earned in exchange of their service in the current and prior periods and discounted back to the current valuation date to arrive at the present value of the defined benefit obligation. The defined benefit obligation is deducted from the fair value of plan assets, to arrive at the net asset / (liability), which need to be provided for in the books of accounts of the Company.

As required by the Ind AS19, the discount rate used to arrive at the present value of the defined benefit obligations is based on the Indian Government security yields prevailing as at the balance sheet date that have maturity date equivalent to the tenure of the obligation.

The calculation is performed by a qualified actuary using the projected unit credit method. When the calculation results in a net asset position, the recognized asset is limited to the present value of economic benefits available in form of reductions in future contributions.

Remeasurements arising from defined benefit plans comprises of actuarial gains and losses on benefit obligations, the return on plan assets in excess of what has been estimated and the effect of asset ceiling, if any, in case of over funded plans. The Company recognizes these items of remeasurements in other comprehensive income and all the other expenses related to defined benefit plans as employee benefit expenses in their profit and loss account.

When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company is statutorily required to contribute a specified portion of the basic salary of an employee to a provident fund as part of retirement benefits to its employees. The contributions during the year are charged to the statement of profit and loss.

h) Borrowing costs

Borrowing costs include interest expense as per the effective interest rate (EIR) and other costs incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those tangible fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalized. Other borrowing costs are recognized as an expense in the year in which they are incurred.

i) Foreign exchange transactions

The functional currency and the presentation currency of the Company is Indian Rupees. Transactions in foreign currency are recorded on initial recognition using the exchange rate at the transaction date. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on the settlement or translation of monetary items are recognized in the statement of profit and loss in the period in which they arise.

Assets and liabilities of foreign operations are translated at the closing rate at each reporting period. Income and expenses of foreign operations are translated at monthly average rates. The resultant exchange differences are recognized in other comprehensive income in case of foreign operation whose functional currency is different from the presentation currency and in the statement of profit and loss for other foreign operations. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

j) Income tax

The income tax expense comprises current and deferred tax incurred by the Company. Income tax expense is recognised in the income statement except to the extent that it relates to items recognised directly in equity or OCI, in which case the tax effect is recognised in equity or OCI. Income tax payable on profits is based on the applicable tax laws in each tax jurisdiction and is recognised as an expense in the period in which profit arises. Current tax is the expected tax payable/receivable on the taxable income or loss for the period, using tax rates enacted for the reporting period and any adjustment to tax payable/receivable in respect of previous years.

Current tax assets and liabilities are offset only if, the Company:

- a) The entity has legally enforceable right to set off the recognized amounts; and
- b) Intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amounts for tax purposes.

Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised, for all deductible temporary differences, to the extent it is probable that future taxable profits will be available against which deductible temporary differences can be utilised. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset only if:

- c) The entity has legally enforceable right to set off current tax assets against current tax liabilities; and
- d) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

The tax effects of income tax losses, available for carry forward, are recognised as deferred tax asset, when it is probable that future taxable profits will be available against which these losses can be set-off.

Additional taxes that arise from the distribution of dividends by the Company are recognised directly in equity at the same time as the liability to pay the related dividend is recognized.

k) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of cash flow statement include cash in hand, balances with the banks and short-term investments with an original maturity of three months or less, and accrued interest thereon.

l) Impairment of non-financial assets

The Company assesses at the reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an assets or cash- generating unit's ("CGU") fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset,

unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses are recognised in statement of profit and loss.

m) Provisions

Provision is recognised when an enterprise has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on management estimates required to settle the obligation at the balance sheet date, supplemented by experience of similar transactions. These are reviewed at the balance sheet date and adjusted to reflect the current management estimates.

n) Contingent Liabilities and Assets

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability. The existence of a contingent liability is disclosed in the notes to the financial statements.

Contingent assets are neither recognised nor disclosed.

o) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash Flow Statement

Cash flow are reported using Indirect Method, where by profit/(loss) before tax is adjusted for the effect of transaction of non cash nature and any deferrals or accruals of past or future cash receipt or payments and items of income or expenses associated with investing or financing cash flow. The cash flow from operating, Investing & financing activities of the company is segregated based on the available information.

q) Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. The Company has evaluated the amendments to the Indian Accounting Standards notified by the Ministry of Corporate Affairs vide the Companies (Indian Accounting Standards) Second Amendment Rules, 2025. Based on the assessment carried out, these amendments do not have any material impact on the financial statements of the Company for the year ended 31 March 2026.

Independent Auditor's Report

To
The Members
Indo Thai Securities Limited
(CIN No. L67120MP1995PLC008959)

Opinion

We have audited the consolidated Indian Accounting Standards (Ind AS) financial statements of **Indo Thai Securities Limited** ("the Holding Company") and its subsidiary companies (Holding Company and its subsidiary companies together referred to as "the Group"), which comprise the consolidated Balance Sheet as at **March 31, 2026**, the consolidated Statement of Profit and Loss (Including other comprehensive income), consolidated Statement of Changes in Equity and Statement of consolidated Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, consolidated profit, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management's discussion and analysis and Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone and consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the annual financial statements that individually or in aggregate, make it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning to scope our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- The consolidated financial results include the audited financial results of four subsidiaries companies whose financial statements reflect Group's share of consolidated total assets of Rs. 2176.20 Lakh as at 31 March 2026, Group's share of consolidated total revenue of Rs. 71.19 Lakh, Group's share of consolidated total net loss after tax of Rs. 69.91 Lakh and total comprehensive income of Rs. Nil for the year ended on that date, as considered in the consolidated financial results, which have been audited by us.

Our opinion is not modified in respect of above matter.

Report on Other Legal and Regulatory Requirements

Annexure A to the Independent Auditor's Report of even date on the Consolidated financial Statements of Indo Thai Securities Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our report of the consolidated financial statements of **Indo Thai Securities Limited** (the 'Holding Company') as of and for the year ended **March 31, 2026**, we have audited the internal financial controls over financial reporting of the Holding Company as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its subsidiary companies which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary companies which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

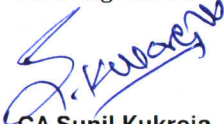

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditor's Report

To
The Members
Indo Thai Securities Limited
(CIN No. L67120MP1995PLC008959)

Opinion

We have audited the consolidated Indian Accounting Standards (Ind AS) financial statements of **Indo Thai Securities Limited** ("the Holding Company") and its subsidiary companies (Holding Company and its subsidiary companies together referred to as "the Group"), which comprise the consolidated Balance Sheet as at **March 31, 2026**, the consolidated Statement of Profit and Loss (Including other comprehensive income), consolidated Statement of Changes in Equity and Statement of consolidated Cash Flows for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, consolidated profit, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management's discussion and analysis and Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone and consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

SPARK & Associates

Chartered Accountants LLP

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the annual financial statements that individually or in aggregate, make it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning to scope our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- The consolidated financial results include the audited financial results of four subsidiaries companies whose financial statements reflect Group's share of consolidated total assets of Rs. 2176.20 Lakh as at 31 March 2026, Group's share of consolidated total revenue of Rs. 71.19 Lakh, Group's share of consolidated total net loss after tax of Rs. 69.91 Lakh and total comprehensive income of Rs. Nil for the year ended on that date, as considered in the consolidated financial results, which have been audited by us.

Our opinion is not modified in respect of above matter.

Annexure A to the Independent Auditor's Report of even date on the Consolidated financial Statements of Indo Thai Securities Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our report of the consolidated financial statements of **Indo Thai Securities Limited** (the 'Holding Company') as of and for the year ended **March 31, 2026**, we have audited the internal financial controls over financial reporting of the Holding Company as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent and its subsidiary companies which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent and its subsidiary companies which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

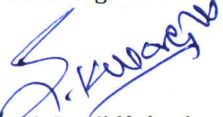

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

certificate and the shareholders' consent affidavits are attached as Annexure 6. They request exemption from holding an equity shareholders' meeting for ITFSL because all equity shareholders have submitted consent affidavits approving the scheme.

The details are given below:

Sl. No.	Name of Shareholder	No. of Shares held as on 20 th March	% of consent
01.	Indo Thai Securities Limited	29,99,940	100.00

07.	Mr. Rajendra Bandi (Nominee of Indo Thai Securities Limited)	10	-
	Total	30,00,000	100.00%

10. The learned Counsel submits that as at 31st December 2025, ITFSL is having **NIL** secured creditors and **NIL** unsecured creditor, thus there is no requirement for seeking their consent for approval of the Scheme as such and also not required to hold any meeting of the Secured Creditors and Unsecured Creditors.

In view of the above, it is respectfully prayed that this Hon'ble Tribunal may be pleased to dispense with the requirement of convening the meeting of creditors.

11. The applicant companies obtained a Valuation Report dated 13 October 2025 from CA Navin Khandelwal (Independent Registered Valuer, IBBI/P.YI05/2019110779) to determine the share-entitlement ratio of the equity shares. Valuation Report as certified by the Registered valuer for both the Applicant companies has been annexed as **Annexure-8**.

RECOMMENDATION OF FAIR EQUITY SHARE ENTITLEMENT RATIO FOR THE PROPOSED DEMERGER.

Valuation approaches	Indo Thai securities Limited for broking and distribution business		Indo Thai Financial Securities Limited	
	Value per share	Weight	Value per share	weight
Asset Approach	NA	0%	NA	0%
Income Approach	NA	0%	NA	0%
Market Approach	NA	0%	NA	0%

Relative Value per Share	NA	0%	NA	0%
Exchange Ratio	NA			

Recommendation:

Based on the foregoing, any share entitlement ratio can be considered for the aforesaid demerger because no shareholder's proportionate shareholding would change.

In light of the Resulting Company's desired Capital Structure, the management of the Demerged Company and the Resulting Company has suggested a share entitlement ratio of

"1 equity share of face Value of Re.1 each fully paid up of the Resulting Company for every 1 Equity Share of Face Value of Re. 1 each fully paid up held by equity shareholders of Demerged Company"

Based on the foregoing and on consideration of all relevant factors and circumstances as discussed and outlined herein above, pursuant to the scheme. The recommended Fair Share entitlement Ratio is:

"1 equity share of face Value of Re.1 each fully paid up of the Resulting Company for every 1 Equity Share of Face Value of Re. 1 each fully paid up held by equity shareholders of Demerged Company".

A copy of the Valuation Report and the Share Entitlement Ratio is attached as **Annexure A-8.**

12. The learned Counsel submits that the boards of directors of the applicant companies approved the Scheme at their meetings on 13 October 2025, subject

to Tribunal and other necessary authorities' approvals. Certified copies of the board resolutions are attached as **Annexure A-7**.

13. The learned Counsel submits that the rationale for the Scheme of Arrangement by Amalgamation of the Transferor Companies with the Transferee Company is, *inter alia*, as follows:

I. The Scheme provides for:

1. Demerger: transfer of the B&D Undertaking from the Demerged (transferor) Company to the Resulting (transferee) Company as a going concern, and issuance of new equity shares by the Resulting Company to the Demerged Company's shareholders.
2. Cancellation: extinguishment and cancellation of the entire existing paid-up share capital of the Resulting Company.
3. Listing: listing of the Resulting Company's equity shares on BSE and NSE.
4. Other matters: various consequential and related actions necessary to implement the Scheme.

II. The Scheme isn't prejudicial to shareholders, creditors, or other stakeholders and aims to achieve specified Objectives/Rationale:

1. ITSL conducts Broking and Distribution activities.
2. ITSL has subsidiaries with distinct businesses:
 - a. Indo Thai Realities Limited — wholly owned; real estate business.
 - b. Indo Thai Globe Fin (IFSC) Limited — wholly owned; an IFSC-registered intermediary (e.g., stock broker) under SEBI IFSC Guidelines, 2015.

- 
3. Femto Green Hydrogen Limited — subsidiary for green technology business.
 4. Each business has distinct capital, operational and regulatory needs, different risk-reward profiles, and can attract different investors or partners. Because of these commercial differences and growth potential, it's strategically appropriate to separate them. As a first step, the B&D Undertaking is being demerged from the Remaining Business.

III. The restructuring will deliver these benefits:

- a) Resulting Company can specialize and focus on the B&D business.
- b) Demerged Company can concentrate on and improve the Remaining Business by streamlining operations and corporate structure.
- c) Separating the businesses should unlock value for each vertical, enable focused growth, and create greater stakeholder value.
- d) It permits independent capital allocation and tailored balance-sheet management suited to each business's needs.

The boards of the applicant companies approved the Scheme on 13 October 2025, having considered the rationale and objectives described. A copy of the board resolutions is attached as **Annexure A-7**.

14. Copies of ITSL's latest audited financial statements as of 31 March 2025 and its limited reviewed financial statements as of 31 December 2025 are attached as Annexure A-14, and a certified copy of ITFSL's limited reviewed

financial statements for the period from incorporation (14 September 2025) to 31 December 2025 is attached as Annexure A-15. .

15. The affidavit further discloses, *inter alia*, that:

- a) No government department or regulator has taken action against the applicant companies (except two ITSL assessment appeals pending in the normal course).
- b) No investigation or inspection is pending under the Companies Act, 2013.
- c) No proceedings for merger, amalgamation, liquidation, or winding up are pending before any High Court, Tribunal, or Regional Director.
- d) No dispute under section 241–242 of the Companies Act, 2013 is pending before NCLT or any competent court.
- e) No applications under sections 7, 9, or 10 of the Insolvency and Bankruptcy Code, 2016 for corporate insolvency have been filed or admitted.

A certificate from the auditors confirming these facts is attached as **Annexure A-10**.

16. The auditors of the applicant companies have certified that any accounting treatment proposed by the Scheme complies with Ind-AS/Accounting Standards under section 133 of the Companies Act, 2013; a copy of the auditors' certificate is attached as Annexure A-9.

17. The boards of the applicant companies, at their meeting on 13 October 2025, concluded that the proposed Scheme under the Companies Act does not prejudice the interests of promoters, non-promoter shareholders, directors, key

managerial personnel, employees, creditors, or any other stakeholders. A copy of the board report is attached as Annexure A-11.

18. ITSL complied with Regulation 37 of SEBI (LODR) Regulations and SEBI's master circular by filing the draft Scheme with SEBI via BSE and NSE (where ITSL is listed) and received SEBI's observations on 18 March 2026 (BSE letter DCS/AMAIAD/R37/413012025-26 and NSE letter NSE/LIST/51756). Copies of those observation letters are attached as Annexure A-2.

19. The Scheme is not a corporate debt restructuring under section 230(2)(c) of the Companies Act, 2013, so creditors' responsibility statements and related requirements do not apply. The Scheme does not propose any reduction of ITSL's share capital, but the existing 30,00,000 equity shares of Rs. 1 each held by ITSL and its nominees will be cancelled and extinguished under Clause 11.

20. The equity shares issued by the Resulting Company (ITFSL) to ITSL's shareholders will be listed on BSE and NSE as provided in Clause 12 of the Scheme.

21. The Scheme complies with the Companies Act, 2013, its rules, regulations and guidelines, and applicable SEBI regulations. There is no ongoing litigation, adjudication, recovery proceeding, prosecution, or enforcement action against the promoters of the applicant companies as of the filing date. None of the directors, promoters or their relatives have any interest in the Scheme except in their capacities as shareholders of ITSL and to the extent of shares they may receive from ITFSL under the share-entitlement ratio.

22. The applicant companies will comply with Section 230(5) of the Companies Act, 2013 and Rule 8 of the CAA Rules, 2016 by serving Form CAA-3, the Scheme, and the statutory notice (under section 230(3)) to the

specified authorities: for ITSL — the Central Government via the Regional Director (North Western Region, Ahmedabad) (rd.northwest@mca.gov.in) , the Registrar of Companies (Madhya Pradesh, Gwalior) (roc.gwalior@mca.gov.in) , BSE (bse.schemes@bseindia.com), NSE (takeover@nse.co.in), and relevant Income-Tax authorities (indore.dcit1.1@incometax.gov.in) for ITSL & indore.dcit1.1@incometax.gov.in – for ITFSL, RBI- (rdbhopal@rbi.org.in) , Official Liquidator (ol.indore@mca.gov.in) .

23. ITSL conducts broking and distribution activities regulated by SEBI, so the Scheme notice will be served to SEBI (sebi@sebi.gov.in) in Form CAA-3.

24. Details of the date of meeting and appointment of the chairman and scrutinizer of the meetings and minimum quorum is as follows:

Type of the meeting	Chairman/Alternate chairman of the meeting	Scrutiniser of the meeting	Proposed date and mode of the meeting	Minimum quorum

OUR OBSERVATION:

25. We have heard the Learned Counsel for the Applicant Companies. Upon review of the documents placed on record, including the Scheme of Amalgamation, financial statements, auditor's certificates, consent affidavits, and other supporting materials, we have made the following observations in relation to the proposed Scheme:

- i. This is the first stage joint Application seeking dispensation of the meetings of the Equity Shareholders Secured Creditors and Unsecured Creditors of both the Applicant Companies.
- ii. *Section 230(1) of the Companies Act, 2013 contemplates the convening of meetings of creditors or members, as the case may be, unless at least 90% in value of the creditors or members, as the case may be, provide their consent in writing, by way of affidavits, to dispense with such meetings.*
- iii. The learned PCS seeks directions with respect: -

			% of Consent obtained	DISPENCEING OF MEETING	MEETING TO CONVENE
Transferor company	Equity shareholder	17,326	Meeting will be convened	-	direction for convening of meeting arise.
	Secured creditors	3	100%	To dispense the meeting	-
	Unsecured creditors	1004	Meeting will be convened	-	convening of meeting required
Resulting company	Equity shareholder	7	100%	To dispensing the meeting	-
	Secured creditors	Nil	N.A.	-	convening of meeting not required
	Unsecured creditors	Nil	N.A.	-	Convening of meeting not required.

- iv. Therefore, it is observed from this instant application that the Applicant Companies have affirmed that they are in compliance with all applicable provisions of the Companies Act, 2013, and the rules made thereunder. Considering that the dispensation of the meetings in question would not prejudice or prevent any aggrieved party from approaching this Hon'ble Tribunal at an appropriate stage, particularly when the Scheme is taken up for final approval, this Tribunal is of the view that the prayer for dispensation of convening meetings of the equity Shareholders & unsecured creditors of the transferor company , as well as dispensation from requirement of convening the meeting of secured creditors of the

transferor company i.e. ITSL deserves to be allowed and seeking dispensation from the requirement for convening the meeting of Equity shareholder of the transferee company i.e ITFSL deserves to be allowed. Since there is no secured and unsecured creditors of the transferee i.e ITFSL , thus there is no requirement to hold any meeting.

v. **We, therefore, accordingly allow the Joint Company application as follows;**

(a)

			% of Consent obtained	DISPENCEIN G OF MEETING	MEETING TO CONVENE
Transferor company	Equity shareholder	17,326	Meeting will be convened.	-	convening of meeting required.
	Secured creditors	3	100%	To dispense the meeting	-
	Unsecured creditors	1004	Meeting will be convened	-	convening of meeting required
Resulting company	Equity shareholder	7	100%	To dispensing the meeting	-
	Secured creditors	Nil	N.A.	-	convening of meeting not required
	Unsecured creditors	Nil	N.A.	-	Convening of meeting not required.

- Calculated by considering the impact of cancellation of investment of Rs. 0.30 Crore in ITFSL.

History of demerged undertaking: Indo Thai Securities Limited (hereinafter referred as ITSL) is a public listed company. Its equity shares are listed on the National Stock Exchange of India Limited ("NSE") and the BSE Limited ("BSE"). ITSL was incorporated on January 19, 1995, under the provisions of the Indian Companies Act, 1956. Its registered office is situated at Capital Tower, 2nd Floor, Plot Nos. 169A-171, PU-4, Scheme No. 54, Indore - 452010, Madhya Pradesh, India. - Revenue includes Revenue from operations and Other income.

4. Detailed rationale for arriving at the swap ratio for issuance of shares as proposed in the draft scheme of arrangement is as follows:

Pursuant to the Scheme, all shareholders of ITSL would become the shareholders of ITFSL, and their shareholding in ITFSL would mirror their shareholding in ITSL. Hence, the share entitlement ratio would not have any impact on the ultimate value of the shareholders of the ITSL, and the proposed demerger will be value neutral to the shareholders of ITSL. Further, as stated in SEBI Master Circular SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023, valuation is not required in cases where there is no change in the shareholding pattern of the resultant company. Hence, any share entitlement ratio can be considered appropriate and fair for the proposed demerger as the proportionate equity shareholding of any shareholder before and after the proposed demerger would remain same.
